Letter No. 7058, dated 6th June 1894, from the Comptroller to the Mysore Government.

I have the honor to bring to your notice that notwithstanding the issue of Government Proceedings No. 21305-13—R. 2561, dated 21st June 1893, communicating this office letter No. 6317, dated 7th June 1893, to Deputy Commissioners of Districts, for attention and compliance, requisitions were received by Treasury Officers from Deputy Commissioners requesting alterations in the Treasury accounts, long after the closing of the annual accounts by me, and the submission thereof to Government. I have to request therefore that stringent orders may be issued to Deputy Commissioners to intimate any corrections that they may desire to be made in the Treasury accounts to the Treasury Officer on or before the 31st August 1894 the latest, as Treasury Officers have been directed not to attend to any corrections that may be received after that date.

ORDER THEREON.—Communicated to Deputy Commissioners of Districts with a request that all corrections to be made in the Treasury accounts may, without fail, be intimated to the Treasury Officers before the 31st August of each year.

ORDER THEREON.—The accompanying abstract statement prepared in this office shows the number of Darkhasts pending disposal in the several Districts of the Province during the quarters ended 31st December 1893 and 31st March 1894.

2. The number of Darkhasts pending in the Chamrajnagar Taluk on the 31st March 1894 is large and requires early disposal.

3. Of the 187 Darkhasts pending disposal in the Tirthahalli Taluk, some are of long standing and date from the years 1888-89 and 1889-90. These should be attended to without further delay.

4. General remarks such as "Shekdar has been directed to inspect the land and report" and the "sale is awaiting confirmation, &c.," are not sufficient justifications for undue delay in the final disposal of these Darkhasts.

5. Future returns should be submitted in the form prescribed in Government Proceedings No. 17779-86—R. F. 165-92, dated 16th April 1894.

ORDER THEREON.—Recorded.

READ:—

The following Demand, Collection and Balance statements of the several Districts of the Province for the ten months ending 30th April 1894:—

No. 4. Land Revenue.
„ 5. Casual Land Revenue.
„ 2. Sayer Collections.
„ 8. Forest Assessed Taxes, &c.
„ 9. Miscellaneous Collections.

No. 900-908—R. F. 44-93, DATED, BANGALORE, 12TH JULY 1894.

OBSERVATIONS.—*Land Revenue.*—The figures under this head for the whole Province stand as shown below:—

	Total Demand inclusive of arrears.	Total Collections.	Remissions.	Balance.
1892-93 (ten months)	81,12,334	68,95,830	1,72,701	10,43,803
1893-94 (ten months)	78,95,738	73,00,063	21,513	5,74,162
Difference	—2,16,596	+4,04,233	—1,51,188	—4,69,641

2. The decrease under total demand is the result not of a diminution with current demand, but of less arrears at the beginning of the year. The only District in which there is a decrease in the current demand is Mysore, but the amount is small, being only Rs. 41,568 The cause of the decrease, however, requires explanation. The current demand shows an increase of 4½ lakhs.

3. The percentage of balance in the entire demand has been as follows:—

Districts.	1892-93.	1893-94.
Shimoga	15·8	12·7
Kadur	15·3	12·1
Mysore	14·8	11·6
Kolar	11·0	6·3
Hassan	8·1	4·9
Bangalore	20·5	2·7
Tumkur	10·1	2·0
Chitaldroog	·7	·7

4. The balances in Shimoga, Kadur and Mysore are heavy. There is no reason why the khists should not be fully realized in time. The collections in Bangalore, Tumkur and Chitaldroog are satisfactory.

5. The collections as given by the Deputy Commissioners differ with the Comptroller's figures to the extent noted below:—

District.	As per Deputy Commissioner's	As per Comptroller's.	Difference.
Tumkur	9,56,662	9,56,590	+72
Mysore	11,40,502	11,37,195	+3,307
Hassan	9,29,841	9,28,555	+1,286
Kadur	7,05,205	7,03,466	+1,739

The Comptroller's early attention is drawn to the instructions contained in Government Proceedings No. 21370-78—R. F. 44-93, dated 7th June 1894.

6. The Salwar details of balance given in statement (I A) attached, show that excepting in Kadur and Chitaldroog, portions of the arrears due relate to years so far back as 1881-82 and 1876-77. The Deputy Commissioners concerned should try to recover it soon, or propose its remission, if it is not recoverable. The existence of such old arrear is objectionable.

7. *Mohatarfa.*—The outstanding balances in the Districts of Kolar, Mysore and Hassan are still very heavy and call for the Deputy Commissioners' early attention.

8. *Miscellaneous.*—The large decrease of Rs. 45,194 under this head in the current demand of the Mysore District requires explanation. The balances at the close of the month remaining uncollected are heavy in the Districts of Mysore and Shimoga.

9. The other items of revenue call for no remark.

10. Statements Nos. I to V prepared in this office giving further details Districtwar under the heads treated above, are attached.

T. ANANDA ROW,
Chief Secretary.

The Comptroller to the Mysore Government.

No. 1747-57—R. 212, DATED 30TH JULY 1894.

ORDER.—Government observe that there is always a difference in the Land Revenue Collections shown in the Demand, Collection, and Balance statements received from the Districts and the corresponding figures shown in the Comptroller's accounts. In the former, the Irrigation Cess, where merged in the wet assessment, is separated from it and shown in distinct statements, while in the latter no such separation is attempted.

2. The Irrigation Cess as a separate levy on Government wet lands was abolished by the Chief Commissioner's Notification dated 11th February 1875. The Irrigation Cess on Government wet lands in every Taluk *settled after the issue of this Notification*, is the lump sum assigned at the settlement out of the annual revenue of the Taluk, to form the District Irrigation Fund. The sum thus assigned for any Taluk must be regarded as the fixed contribution from that Taluk towards the District Irrigation Fund during the currency of the settlement.

3. In the case of Inam wet lands (whether in Government or Inam villages) the survey valuation of which is fixed after the Notification above quoted, the Irrigation Cess is a separate levy equivalent to $\frac{1}{77}$th of the survey valuation.

4. In the case of Inam wet lands for which a survey valuation has *not* been fixed or for which a survey valuation was fixed before the above Notification, the Irrigation Cess is also a separate levy of one anna per rupee of wet assessment.

5. In the case of Government wet lands in villages settled *before* the Notification above quoted, the Irrigation Cess is a separate levy of one anna in every rupee of wet assessment.

6. On wet lands under Ashtagram River Channels not yet settled, eight annas per Khandi of Bijavari is settled.

7. Thus the credits to the Irrigation Fund consist of—

(1) lump sums assigned on account of Government wet lands in Taluks settled after Notification dated 11th February 1875, and

(2) separate levy—

(*a*) at one anna in every rupee of wet assessment on Government wet lands in Taluks settled before the Notification above quoted;

(*b*) at one anna in every rupee of wet assessment on Inam lands, of which the survey valuation was fixed before the Notification above quoted or has not yet been fixed;

(*c*) at $\frac{1}{77}$th of the survey valuation (made after the Notification above quoted) of Inam wet lands; and

(*d*) eight annas per Khandi of Bijavari of wet lands under Ashtagram River Channels in Taluks not yet settled.

8. All realizations of the Cess separately levied as above will of course continue to be credited to the Irrigation Fund. As regards Government wet lands in Taluks settled after the Notification above quoted, the entire wet assessment collected (in which is merged the Irrigation Cess) should be credited to Land Revenue both in the Demand, Collection, and Balance accounts and in the Comptroller's accounts, the lump sums assigned at the settlement as contributions to the Irrigation Fund being shown in the annual Provincial accounts of the Comptroller as separate disbursements on this account, corresponding credits being entered in the Irrigation Fund account.

9. The lump sums assigned for Taluks settled after the Notification above quoted are as follows:—

5. (*II*) *Head Office.*—With reference to the enquiry made in the concluding part of para 6 of the Proceedings dated 12th December 1893, the Sub-Division Officer states that no Clerk was entertained in the office of the Vice-President of Seringapatam on a salary of Rs. 20 in 1892-93, but that one on Rs. 10 was employed in December 1893, and that the proposal to employ one on Rs. 20 may have emanated from the Deputy Commissioner. The latter Officer states that no such proposal emanated from his office, and that the matter must be cleared up by referring to the original Budget Statement No. III.

Government Proceedings. Para 6.

Sub-Division Officer's Memo. Para 5 and Deputy Commissioner's letter. Para 2.

That statement, which was prepared in the Sub-Division office, is herewith sent. It contains a remark that a Clerk on Rs. 20 was necessary. Probably 20 was a clerical mistake for Rs. 10.

6. The estimate already sanctioned does not include the amount payable towards the cost of establishments recently sanctioned for employment in the District Office. The Deputy Commissioner therefore proposes to add Rs. 56 to the estimate on account of this charge and Rs. 28 on account of contingencies in the Taluk Cutcherries. The latter charge, the Sub-Division Officer explains is necessary, as much difficulty is experienced in procuring writing materials from the Revenue Department. The estimate will be sanctioned, but the Government consider that where there are no separate hands employed for Municipal work, the Stationery supplied to the Taluk Cutcherries should be utilized for Municipal work also, and that proper quantities should be indented for. The provision as finally sanctioned under this head amounting to Rs. 749 will be apportioned among the several Municipalities as noted below :—

8. (*VI.*) *Conservancy.*—The supplemental Budget provides for an increase of Rs. 24 in the Budget of Seringapatam. The cause is not stated, and it is not also clear why the usual provision of Rs. 600 on account of the pay of the Municipal Overseer has been retained, while his services were dispensed with in accordance with the resolution of the Municipal Board, so far back as June 1893. As however the year has expired, the estimate will not be interfered with.

11. (*IX*) *Charitable Grants.*—There is now one midwife on a salary of Rs. 20 per mensem, half of which is borne by the District Funds and half by five Municipalities, instead of five Municipalities only bearing the moiety of the cost. The President proposes to apportion it among all eight Municipalities in the Sub-Division, as her services are utilized in all of them. The proposal is accepted. The apportionment will be as shown in the margin.

Government Proceedings. 12. — Sub-Division Officer's Memo. 11

12. The Budget of Seringapatam also provides Rs. 50 on account of remuneration proposed to be paid to Local Pandits for the treatment of cholera patients. The provision will be retained, but the Deputy Commissioner is requested to explain the principle upon which payments are to be made, what check is intended to be exercised over the work done by the pandits, and whether they are to administer native medicines procured by themselves or English medicine supplied to them. Pending information, no expenditure need be incurred out of the proposed allotment

13. (*XI*) *Miscellaneous.*—As the sanctioned Budgets contain no provisions for the remuneration to pound keepers and for feeding charges, the Deputy Commissioner proposes supplemental grants and transfers resulting in a net increase of Rs. 115 as shown in the margin. The proposal is sanctioned, and the provisions approved.

MANDYA.

14. (*IV*) *Conservancy, and VIII. Public Works.*—As there was a minus balance against this Municipality, the provisions of Rs. 75 made for works in the original Budget for 1893-94 was struck out altogether, and that made for Conservancy Establishments reduced from Rs. 396 to 38. These items are again inserted in the supplemental Budget now submitted, and the Deputy Commissioner concurring with the Sub-Division Officer, strongly recommends their retention on the ground that they are absolutely necessary for the health of the residents and traffic of the town. Under the circumstances stated, the usual provision of Rs. 396 proposed on account of Conservancy Establishment will be sanctioned, but the item of Rs. 75 proposed for road repairs will be disallowed.

The sub-Division Officer now enters these items in the supplemental Budget and recommends their retention, on the ground that expenditure for eight months was already incurred, and that much will not be gained by discontinuing the expenditure in the remaining four months of the year. The expenditure under these heads should have been stopped as soon as the Government order has been received, but as this has not been done, and the year has expired, the estimate will be retained as proposed. No expenditure should be incurred in 1894-95.

23. (*VIII*) *Public Works.*—Owing to the insufficiency of funds, the supplemental grant applied for, namely Rs. 225, for works to be executed during 1893-94, cannot be sanctioned.

24. The other paras of the Deputy Commissioner's letter or the Sub-Division Officer's Memo call for no special remarks.

26. From the above, it will be seen that there is a minus balance against Mandya, notwithstanding the reductions made in Para 14 *supra*. In preparing the Budget for 1894-95, the Deputy Commissioner should endeavour to reduce the charges, so that there may be no minus balance at the end of the year. If this be not possible, he should apply for a special grant from Local Funds General, which will be favorably considered.

Letter dated 27th June 1894, No. L. F. 2950, from the Comptroller.

With reference to Government Proceedings No. 22549-50—L. F. 442-92, dated 25th June 1894, forwarding Mysore District Deputy Commissioner's No. 1356, dated 5th idem, anent the imprests to be allowed to Vice-Presidents, I have the honor to state that the inconvenience complained of is that the amount of Imprest is small, that recoupment cannot be made without a delay of eight or ten days, and that recoupment three times a month entails much clerical work. The remedy suggested is that the Amildars or imprest holders should themselves recoup their imprests by drawing from their Treasury, subject to retrenchment and disallowances by Deputy Commissioner.

The recoupment of imprests is now admittedly delayed eight or ten days, even though the Deputy Commissioners are aware that their Vice-Presidents are short of funds and cannot get them until the recoupment is made. When this urgency is removed, the recoupment of these imprests will, I am afraid, be still more delayed and neglected; and the result will be an accumulation of unexamined and unrecouped imprests which the Deputy Commissioners will have to scrutinize and recoup in hurry. The disallowances and retrenchments will also accumulate without prompt adjustments. I would suggest the increase of the amounts of these imprests whenever necessary as a simpler and more effective remedy. Large expenditure on Municipal works is incurred only during certain months of the year. During such working season, the Presidents may be authorized to grant special imprests to the extent of the requirements. These special imprests must be kept separate from the ordinary ones, and recouped on separate cash sheets. When the busy season is over, these special imprests may be withdrawn. I beg therefore to recommend either of the above alternatives.

No. 365-75—L. F. 442-92, DATED. BANGALORE, 11TH JULY 1894.

ORDER THEREON.—The Presidents of the Municipalities may be authorized to grant special imprests. The Comptroller is requested to issue the necessary instructions.

ORDER THEREON.—The villages of Turuganur and Basavanhalli in the Tirumakudlu-Narsipur Taluk were granted as Sarvamanyam by His Highness the Maharaja Krishnaraja Wadayar to Nowl Krishna Dass by Sanad dated 8th March 1820 for the maintenance of certain charitable institutions, namely, a chattram, temple, and agrahar at Paschimavahini.

2. These Inams were confirmed by the Inam Department under Rule V, subject to the due and proper maintenance of the institutions above named.

3. These institutions are all reported to be in a condition of decay and desuetude, and the successor of the original grantee Nowl Venkata Dass being called upon for an explanation, offers to surrender the Inam villages to the Government, and prays that the charitable institutions above named may be maintained from their proceeds. The Government are unable to comply with this prayer, but as the objects for which the Inams were granted have failed, and as the representative of the grantee shows no inclination to restore and maintain them, the Government hereby direct the resumption of the villages above named. The Deputy Commissioner will at once assume possession of the villages, and apply to Superintendent of Revenue Survey for the introduction of a Survey and Settlement into them as Government villages.

4. As it is not the wish of the Government to allow charities of some local usefulness to be utterly abolished, they will be willing to make a reasonable grant from the general revenues of the State to the Muzarayi Department for the restoration and maintenance of the chattram and temple as Government Muzarayi Institutions.

ORDER THEREON.—Copies of the Circular read above and its enclosure will be circulated to the Deputy Commissioners of Mysore and Bangalore, and Heads of Departments in continuation of Proceedings No. 11358-86—G. 2441, dated 6th January 1894.

No. 1155-8—G. F. 332-92, DATED, BANGALORE, 19TH JULY 1894.

ORDER.—The Government are gravely dissatisfied with the proceedings held by the Amildar of the Bangalore Taluk in regard to the acquisition of certain lands required for the new Silahdar Lines at Bangalore. On the 3rd March 1894, the Amildar obtained a Mahazar from a Panchayet convened by him near the village of Matadahalli. This Panchayet consisted of four persons besides the Patel and the Shanbhog, and their opinion was that the dry land required was worth from Rs. 150 to Rs. 175 per acre, that a purchaser wishing to buy it urgently could well pay Rs. 175 to Rs. 200 or Rs. 250 per acre, and that Government may purchase at a rate of Rs. 175 to Rs. 200. Upon this, the Amildar examined the owners, who said they were unwilling to accept a price of Rs. 175, and he then reported the circumstance to the Deputy Commissioner and recommended a rate of Rs. 150 per acre. The Amildar apparently omitted to ascertain the market price by any proper enquiry, and it is impossible to believe that any reasonable officer could in a matter of this kind accept as final the opinion of four villagers, all more or less interested. The rate recommended appeared so exorbitant that it was not easy to resist the inference of an attempt to benefit owners at the expense of the State, and accordingly the Government decided to entrust the acquisition of the lands required to a special

officer of standing, and appointed Mr. B. G. Krishnaiengar as "Collector" under the Land Acquisition Act, and directed him to proceed *de novo* (*vide* orders dated 13th March 1894). Mr. B. G. Krishnaiengar's examination of the Registration Books and local enquiry show that in private sales between 1885 and 1892 the price of dry land varied from Rs. 20 in very inferior situations to Rs. 60 and 70 in average situations, with Rs. 90 in a few specially prized situations near inhabited villages where competition was keen. In the thirty-five cases examined, the average price was Rs. 56 per acre. Adding fifteen per cent to the market value thus ascertained, Rs. 64½ per dry acre appears to be a fair price to pay. And this rate compares favorably with those actually paid for cultivated land of similar quality and proximity to Bangalore acquired for the Maligal Water-supply scheme, as follows:—

	Rs.	A.	P.
(*i*) Pinnya	37	11	0
(*ii*) Yeswantapur	40	6	0
(*iii*) Ketamaranahalli	38	8	0

Under such circumstances, Mr. Krishnaiengar will be directed to proceed to acquire the lands in question in due course of law, without reference to the previous proceedings held by the Amildar, which must be treated as cancelled. The declaration that the lands are required for a public purpose will (where it has not already been notified) be now duly notified. * Mr. Krishnaiengar will be informed that the Government expect to be able within a very short time to introduce the new Land Acquisition Act I of 1894, and the acquisition must be made under that Act.

* *Vide* Notification No. 897—R. 105, dated 17th instant, in Gazette dated 19th.

2. If the price finally fixed be not approved, the Government should have liberty to withdraw, under the provision to that effect which exists in the new Act shortly to be introduced. With this object in view, no possession should be taken without the express orders of Government.

3. The Military Secretary asks for immediate possession of certain lands. Mr. Krishnaiengar will report if he can arrange with the owners for their purchase for a reasonable price, or whether adjudication by Court will be necessary. In the latter case, possession must not be taken immediately.

Government Proceedings No. 116—25, dated 6th July 1894, making certain observations on the grant of land, Survey No. 37, in the Bargimuddanhalli village, Bangalore Taluk, on lease to Mr. Partridge, and calling upon the Deputy Commissioner, Bangalore District, to submit the records connected with the grant of the land.

READ ALSO:—

(1) Records received with letter No. D. 49, dated 12th July 1894, from the Deputy Commissioner, Bangalore District.
(2) Letter dated 9th July 1894 from Mr. Partridge, showing cause why he should not be evicted from the land in question.

No. 1083-5—G. 231, DATED, BANGALORE, 19TH JULY 1894.

ORDER THEREON.—The land in question is No. 37 of Bargimuddanhalli, 2 acres and 39 guntas in extent, and unassessed. It is within 600 yards of the boundary of the City Railway Station land, and therefore its grant for private occupation by the Deputy Commissioner is prohibited by the orders of 24th November 1887, No. 4627-35—Cir. 115, which directs—"But from and after the date of this order, no Deputy Commissioner through whose District a Railway line passes "will dispose of any unoccupied Government land for private occupation of any "kind within half a mile (880 yards) of the boundary of any Railway Station "land, without the previous sanction of the Government in each individual case."

2. In March 1893, Mr. Partridge applied for the land for a period of one year from 1st May 1893, and the Deputy Commissioner granted it to him on a rental of Rs. 4. Mr. Partridge, in his application, had said that if his farm proved successful, he would have to buy the land, but nothing more was said on either side about any such buying, and the grant in May 1893 must be regarded as made for one year only.

3. In March 1894, Mr. Partridge wrote the following letter to the Amildar:—"I want to build three or four more sheds on the ground leased so kindly "to me by you for a Dairy, and as I have not received patta, I now write to "ask you to please let me have it on lease for a period of ten years, and as the "kandayam is so small and I may forget to pay it on due date, I have decided "to send you herewith Rs. 36, which, added to the Rs. 4 sent you the other day, "will be the kandayam for the full period of ten years. I have written to the "Deputy Commissioner, telling him that I have sent you the money in advance, "and I hope you will still kindly act a friend's part by giving me necessary "patta fixing my ownership of the land. I want this patta as early as possible, "as I want to begin building my sheds for cows, and until I am sure of the land, "I cannot start work."

The Amildar forwarded this letter to the Deputy Commissioner, and applied for orders. The Deputy Commissioner, on 13th March 1894, directed the Amildar to give the land to Mr. Partridge for ten years as applied for by him.

4. The Deputy Commissioner, in his letter No. D. 1504, dated 15th June 1894, referring to the grant of March 1894 for ten years, says—

"This latter concession is only an assurance of the fixity of the rent for the "period of ten years, but it can in no way affect the original condition of the "grant, that Mr. Partridge should give up the land whenever wanted by the "Government. He is further bound to give it up in a condition fit for cultiva-"tion. So Mr. Partridge has no manner of right to claim any compensation."

This opinion of the Deputy Commissioner has no foundation in anything which appears on the record now submitted, and that officer will be called upon to state specifically the grounds of his opinion, and to submit any further papers in his office bearing on the subject. He will submit the letter written to him by Mr. Partridge and referred to in the latter's letter to the Amildar dated—— March 1894.

5. The Government observe that when Toti Malla asked for the land in question in exchange for his Toti manyam, which he had given up for a Government purpose, his application was refused on the ground of proximity to the Railway, but when afterwards Mr. Partridge asked for it, no question of proximity to the Railway was raised, but the land was made over to him for a year on a rent of Rs. 4, and the term of lease was afterwards readily extended to ten years, when Mr. Partridge chose to ask for it.

6. The Deputy Commissioner's proceedings in the case did not only not come under the rules for the disposal of waste lands, but were directly opposed to the orders of 24th November 1887. The grant was altogether outside the Deputy Commissioner's jurisdiction, and was therefore illegal *ab initio*.

7. Against a cancellation of the grant, Mr. Partridge urges the following reasons:—

(1) that the ground has been leased to him for ten years;
(2) that the kandayam for that period has been paid into the Treasury;
(3) that the retention of the ground by him for purposes for which it was leased is absolutely necessary, and that he cannot do without it;
and (4) that his sheds are being put in order, and sheep would be penned there in the course of a few days.

8. These reasons are not relevant in so far as the question of the legality of the grant is concerned. The Deputy Commissioner can only grant whatever the Government does not reserve for a special purpose; and for obvious reasons an unauthorized grant by a Deputy Commissioner of land specially reserved, cannot

be recognized by the Government. Under such circumstances, the grant to Mr. Partridge of 13th March 1894 is hereby cancelled.

9. But before proceeding actually to evict Mr. Partridge, the Government would like to consider whether such a measure is actually necessary. With this object, Mr. B. G. Krishnaiengar (Collector for the purpose of the Land Acquisition Act in the Bangalore District) will be called upon to report whether the other neighbouring lands mentioned by the Executive Engineer, Military Works, can be readily acquired for a rest camp for troops, and if so, the amount of compensation required to be paid for the same.

10. Application will be made to the Resident to direct the Executive Engineer, Military Works, to put himself in direct communication with Mr. B. G. Krishnaiengar, with the view of the early selection of the most eligible site for a rest camp for troops.

11. Orders for the actual eviction of Mr. Partrige, or for the continuance of his possession under proper conditions, will be deferred till the Government are in a position to pass orders on the report above called for from the Collector.

Petition No. 3216, dated 20th March 1894, presented by Bata Rao, Vrittidar of Jodi Benkankere, Tiptur Taluk, appealing against the order of the Deputy Commissioner, Tumkur District, No. 201, dated 8th February 1894, that Petitioner should collect the Jodi due from the other Vrittidars, which had been paid by him, that assistance would be rendered to him in his attempts to recover the amount, and that the Deputy Commissioner would not undertake to collect the amount due from those Vrittidars; and praying that the sole management of the village may be given to him, or that the amount of Jodi paid by him may be refunded to him with interest.

No. 381-88—PET. 54, DATED, BANGALORE, 2ND JULY 1894.

ORDER THEREON.—The petition will be forwarded to the Deputy Commissioner for disposal under Section 98 of the Land Revenue Code.

2. The Deputy Commissioner is wrong in supposing that the money should be collected by the petitioner himself. As soon as an application is made under Section 97 for assistance, it is the duty of the Deputy Commissioner to hold an enquiry under Section 98 and to decide whether any assistance should be given to the petitioner or not. If he considers that assistance should be given, he should issue such of the processes prescribed in Chapter XI as he deems fit.

Appeal No. 124 of 1893-94.

Appellants.	*Vs.*	*Respondents.*
Venkataramaiya, Venkatapataiya, and Venkataramanaiya, Dandinasivara, Gubbi Taluk, represented by Mr. D. Venkatramaiya, Advocate.		1. Venkatalakshmamma. 2. Narnappa, represented by Mr. L. Srinivasaiengar, Advocate.

Decision.—Appellant's father was the Shanbhog of 18 villages, but as there was a complaint of bribery, &c., against him and his brother, the then Division Superintendent took away 8 villages from them and gave them to one Krishnappa on 6th September 1851. Krishnappa died in 1856, and at the request of his widow, her brother Narnappa was appointed Shanbhog of the said 8 villages. Narnappa died in 1893, and 1st Respondent is his widow and 2nd Respondent is her son-in-law. Lakshmidevamma, the widow of Krishnappa, died in 1889.

2. In November 1891, Appellant brought a suit for the office of the 8 villages against 1st Respondent's husband Narnappa who was then alive, and it was dismissed by the Lower Courts. The appeal is against the dismissal of the suit.

3. In a case like this, in which the office was transferred by Government to a third party for offences committed by the hakdars, there can be no suit, and even if a suit could be brought, it is clearly barred by the law of limitation. The Lower Courts have therefore properly dismissed the suit. Appellant's father, for whose misconduct the villages in question were taken away from him, is still alive. On his death, the Government will consider whether, considering the fact that the

be recognized by the Government. Under such circumstances, the grant to Mr. Partridge of 13th March 1894 is hereby cancelled.

9. But before proceeding actually to evict Mr. Partridge, the Government would like to consider whether such a measure is actually necessary. With this object, Mr. B. G. Krishnaiengar (Collector for the purpose of the Land Acquisition Act in the Bangalore District) will be called upon to report whether the other neighbouring lands mentioned by the Executive Engineer, Military Works, can be readily acquired for a rest camp for troops, and if so, the amount of compensation required to be paid for the same.

10. Application will be made to the Resident to direct the Executive Engineer, Military Works, to put himself in direct communication with Mr. B. G. Krishnaiengar, with the view of the early selection of the most eligible site for a rest camp for troops.

Petition No. 3216, dated 20th March 1894, presented by Bata Rao, Vrittidar of Jodi Benkankere, Tiptur Taluk, appealing against the order of the Deputy Commissioner, Tumkur District, No. 201, dated 8th February 1894, that Petitioner should collect the Jodi due from the other Vrittidars, which had been paid by him, that assistance would be rendered to him in his attempts to recover the amount, and that the Deputy Commissioner would not undertake to collect the amount due from those Vrittidars; and praying that the sole management of the village may be given to him, or that the amount of Jodi paid by him may be refunded to him with interest.

No. 381-88—PET. 54, DATED, BANGALORE, 2ND JULY 1894.

ORDER THEREON.—The petition will be forwarded to the Deputy Commissioner for disposal under Section 98 of the Land Revenue Code.

2. The Deputy Commissioner is wrong in supposing that the money should be collected by the petitioner himself. As soon as an application is made under Section 97 for assistance, it is the duty of the Deputy Commissioner to hold an enquiry under Section 98 and to decide whether any assistance should be given to the petitioner or not. If he considers that assistance should be given, he should issue such of the processes prescribed in Chapter XI as he deems fit.

To—The Deputy Commissioner, Tumkur District, forwarding petition No. 3216, dated 20th March 1894.
The Deputy Commissioners of other Districts for information.

Appeal No. 124 of 1893-94.

Appellants.	*Vs.*	*Respondents.*
Venkataramaiya, Venkatapataiya, and Venkataramanaiya, Dandinasivara, Gubbi Taluk, represented by Mr. D. Venkatramaiya, Advocate.		1. Venkatalakshmamma. 2. Naranappa, represented by Mr. L. Srinivasaiengar, Advocate.

Decision.—Appellant's father was the Shanbhog of 18 villages, but as there was a complaint of bribery, &c., against him and his brother, the then Division Superintendent took away 8 villages from them and gave them to one Krishnappa on 6th September 1851. Krishnappa died in 1856, and at the request of his widow, her brother Narnappa was appointed Shanbhog of the said 8 villages. Narnappa died in 1893, and 1st Respondent is his widow and 2nd Respondent is her son-in-law. Lakshmidevamma, the widow of Krishnappa, died in 1889.

2. In November 1891, Appellant brought a suit for the office of the 8 villages against 1st Respondent's husband Narnappa who was then alive, and it was dismissed by the Lower Courts. The appeal is against the dismissal of the suit.

3. In a case like this, in which the office was transferred by Government to a third party for offences committed by the hakdars, there can be no suit, and even if a suit could be brought, it is clearly barred by the law of limitation. The Lower Courts have therefore properly dismissed the suit. Appellant's father, for whose misconduct the villages in question were taken away from him, is still alive. On his death, the Government will consider whether, considering the fact that the

Respondents are not the direct descendants of Krishnappa who was appointed in 1851, the office cannot be re-transferred to Appellants.

Appeal No. 54 of 1893-94.

Appellant.	*Vs.*	*Respondent.*
Seshappa of Vadagere, Kolar Taluk, represented by Mr. B. Srinivasaiengar, Advocate.		Nagappa of Mugalabele, Bowringpet Taluk, represented by Mr. S. Narayan Rao, Advocate.

Decision.—Appellant's divided cousin Subrayappa having been found guilty of having misappropriated Government money amounting to Rs. 991-15-4, was dismissed from his office of Shanbhogi in 1891. On the representation of the Appellant, the Deputy Commissioner ordered the Amildar to give him the appointment on his paying Rs. 400 at once and executing a muchalika for the payment of the remainder in two years. Appellant paid Rs. 400 accordingly in December 1892, but before he was put in possession of the office, the Deputy Commissioner, having been given to understand that Appellant was a pauper and that he had also colluded with the dismissed Shanbhogi in his misdoings, cancelled the former order and gave the appointment to Respondent—a stranger—on his paying Rs. 991-15-4, and promising to pay any further sum that may be found to have been embezzled by the dismissed Shanbhogi. The appeal is against this order.

2. Government consider that the system of receiving money from a stranger and conferring the appointment on him is irregular and should not be resorted to in future. There is nothing on record to show that Appellant, who is a divided member of the dismissed man's family, had participated in his misdoings, and he expressed, at the hearing of the case, his readiness to pay the whole of the money embezzled by the dismissed Subrayappa within three months. The Deputy Commissioner is therefore requested to refund at once to Respondent the money paid by him, and to appoint Appellant in his place on his paying within 30th September 1894 the whole money embezzled with interest thereon at six per cent per annum from the date on which Respondent paid the money. The interest levied should be paid over to Respondent. A muchalika should also be taken from the Appellant that he would pay any further sum that may be found to have been embezzled by the dismissed Subrayappa.

3. Government observe that the dismissed Subrayappa had Shanbhogi right of his own in two villages and the right of Gumastaship in two other villages. It must be explained to Appellant that he only succeeds to the rights of Subrayappa and nothing more is intended to be conveyed by this appointment.

Kallaiya, Patel of Ichghatta, Holalkere Taluk, represented by Mr. D. Venkatramaiya, Advocate.		1. Kalle Lingaiya. 2. Sanna Kakaiya. 3. Damaiya.

Decision.—This is an appeal against the decision of the Deputy Commissioner dismissing the suit brought by the Appellant for half share in the Pateli hak of the village of Ichghatta, on the ground that it was barred by the law of limitation.

2. Appellant admits that neither he nor his ancestors had possession of the hak from 1868, but states that the 1st Respondent was employed to do duties on

his behalf. There is no documentary evidence to prove that 1st Respondent undertook the office on any such condition, and the oral evidence adduced was properly rejected by the Lower Courts, as it was altogether unsatisfactory. The Appellant's Advocate urged at the hearing that Appellant was only seventeen years old when he brought the suit, and that if the period of his minority be deducted from the period of twenty-five years that has elapsed between 1868 when the cause of action arose and 1893 in which the suit was brought, the suit would be in time, but Government observe that Appellant was not born when the cause of action arose, and that consequently the period of limitation cannot be arrested by his subsequent birth or minority. The suit was therefore properly dismissed, and there is no reason whatever for modifying the decree of the Deputy Commissioner. The appeal is dismissed.

Appeal Petition No. 1634 of 1893-94.

Petitioner.	*Vs.*	*Counter-petitioner.*
Babegauda of Sollebail, Koppa Taluk, represented by Mr. K. T. Narasimmaiengar, Advocate.		Mallappaganda.

Decision.—Survey numbers 89 and 92 of Kolur were in the Khata of Petitioner's father Puttanna. Of these, Survey No. 89 was in the possession of one Kavali Machanna, a hissedar.

	Extent. A.	G.	Assessment. Rs.	a.	p.
No. 89 Wet ...	6	16	18	0	0
No. 92 Garden ...	5	36	103	0	0

2. In 1881, Survey No. 92 was sold for arrears of revenue due by Puttanna, and was purchased by the said Kavali Machanna who in 1882 conveyed the two lands to one Abdul Rahman who conveyed them to the Counter-petitioner in 1886. But during all this time, the two lands remained in the Khata of Puttanna, on whose death in 1890-91, they were transferred to the Khata of his son, the petitioner.

3. On 7th January 1891, the Counter-petitioner requested the transfer of the lands to his Khata, and the Deputy Commissioner, after enquiry at the time of Jamabandi, ordered the two lands to be transferred to the Counter-petitioner's Khata.

4. The Petitioner appeals against the above order.

5. At the hearing, Appellant admitted that he was not in possession of the lands, and simply contended that as the patta stood in his name, it should not be transferred to another without his consent. This plea is inadmissible, and the appeal is dismissed.

MUZARAYI.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Muzarayi),—dated 16th July 1894.

READ :—

Correspondence ending with Docket No. D. 117, dated 5th August 1892, from the Deputy Commissioner, Bangalore District, regarding the grant of a Tasdik to the Sri Arunachalêswaraswami Temple in Harohalli, Kankanhalli Taluk.

READ ALSO:—

The Muzarayi Superintendent's Memo on the above, dated 12th July 1894.

No. 26-8—MUZ. F. 3-94, DATED BANGALORE, 16TH JULY 1894.

ORDER THEREON.—The large temple of Arunachalêswaraswami in Harohalli was in the enjoyment of large cash and land inams, all of which were resumed during the Muhammadan rule of the Province and have not since been restored owing apparently to its condition of non-repair and non-performance of the Puja. The residents of the village have now thoroughly repaired the decayed portions of the temple at a considerable cost and have revived worship therein.

2. After due consideration of the foregoing circumstances, the Government are of opinion that the case is not one which requires to be gone into for the purpose of ascertaining the value of the resumed grants; for, for obvious reasons, no restoration of the resumed grants under the ordinary rule can be attempted in an exceptional case of this nature. All that the Government can do in a case of this kind is, to grant to the temple a minimum cash allowance for its maintenance, leaving it to the devotees to supplement the same by their voluntary donations.

3. Under the above circumstances, the Government are pleased to grant to the Arunachalêswaraswami Temple a cash allowance of Rs. 84 per annum with effect from the 1st July 1894. The Inam Superintendent is requested to register the same in the name of the Temple.

4. The institution will be taken over under Muzaravi management, and the Muzarayi Superintendent will settle the details of the Paditara and other expenses of the Temple.

Secretary.
